

With great sorrow and profound grief we wish to announce that

Mrs Andrea Doppelmayr

born July 10, 1963

was taken from us forever and from a life full of plans on October 19, 2014. Throughout her life, Andrea maintained a very close relationship with the company. She played an exemplary role in representing the company and the family, showing great commitment and warmth towards our customers and guests as well as making many friendships around the globe.

Her strength of character and natural charisma along with her great humanity won her the highest esteem both inside and outside the company. Andrea will be sadly missed and her values will always remain an example to us all.

We mourn her passing together with her deeply affected family and relatives.
